- **Submit a DBA Letter and label .jpg** files with sizes to TIOB for Certificate of Label Approval “COLA” Email to Dene Larsen at (dlarsen@topitoffbottling.com) – See page 3 for sample. Please note that your bottlers statement cannot say “Produced and Bottled by” unless you have an active Alternating Proprietorship at our facility. The only options are “Cellared,” “Vinted,” or simply just “Bottled by.”
- **Fill out the Bottling Work Order (send to Dene Larsen) and Cellar Work Order (send to Gina Richmond) forms**
- **Sign the TIOB General Terms and Conditions, Facility Bottling Specifications and Requirements, and Bottling Contract** – All three documents must be signed prior to any wine or materials arriving at the Top It Off Bottling Facility.
- **Schedule bulk wine delivery** – All wine deliveries must be scheduled at least 48 hours prior to delivery and appointments are subject to available tank space. Scheduling can be done via email (griehmond@topitoffbottling.com) or by phone (707-252-3330) with Gina Richmond. All bulk wine must be scheduled between the hours of 8 am and 3 pm. Shipping address is 2747 Napa Corporate Drive, Napa, CA,
- **Schedule dry goods delivery** – All dry goods (glass, corks, caps, labels, etc) must be scheduled at least 48 hours prior to delivery and at least one week prior to the scheduled bottling date. Scheduling can be done via email (dniles@topitoffbottling.com) or by phone (707-252-3330) with Daniel Niles. All dry goods must be delivered between the hours of 7 am and 4 pm.
- **Create a mocked up sample bottle for material confirmation and setup** – In order to ensure we setup the package correctly we require a dressed sample bottle that shows which capsule, cork, label and position of the label. This serves as a guide for our operators to use throughout the bottling. We would like to have this at least one week prior to the scheduled bottling date.
- **Schedule finished goods shipment** – *All finished case goods must ship out or be transferred to long term storage within seven days of the bottling or they will be subjected to a \$50 per pallet charge.* Schedule all finished case goods shipments with Daniel Niles. If wine is shipping “Tax Paid” we will require payment prior to the wine leaving our facility. To avoid shipping delays and storage fees you can pay the estimated tax prior to bottling.
- **Show up on bottling day to approve first bottle** – For every bottling or labeling we require someone to sign off on the project prior to the start of production. This person will be required to sign off on the wine and all packaging components.
- **Schedule to remove left over materials or authorize recycling** – *After the bottling is completed, we require that all left over bottling materials be removed within 7 days.* After seven days the materials will be considered abandoned and will be disposed of at the discretion of TIOB.
- **Receive the Finished Bottling Report** – Once the bottling is completed you will receive a report showing the case and pallet quantity of each wine bottled. If you have any questions about this report please contact Gina Richmond.
- **Pay your final Invoice** – In most cases TIOB requires that payment arrangements be made prior to the case goods being shipped out. If shipping is required prior to the generation of a final invoice, arrangements can be made to estimate a total to be paid so that the shipments can be made.
